2016 ASSE International Annual Meeting Website and Online Registration Have Launched

Mokena, Ill. (April. 22, 2016) — ASSE International has launched the 2016 ASSE International Annual Meeting website, where users can learn about the Annual Meeting, view/print the schedule of events, register for the conference, book their rooms at Bally's Las Vegas Hotel and Casino, and become sponsors of the meeting. Visit the website at www.asse-plumbing.org/am16.

The 2016 ASSE International Annual Meeting will be held Nov. 8-11 at Bally's Las Vegas Hotel and Casino. All involved in the plumbing and mechanical industries — from manufacturers, engineers, and contractors to students, instructors, and administrators — will find this four-day event to be time well spent as they learn, share their knowledge, accomplish work, and have a bit of fun on the Vegas Strip.

Keeping the work-centric, busy attendees of the ASSE International Annual Meeting in mind, the responsive, one-page Annual Meeting website was designed to be as simple, brief, and to-the-point as possible. Whether users are browsing on their smartphones, tablets, laptops, or desktop computers, the website is fully responsive to their devices and easy to navigate.

Visit www.asse-plumbing.org/am16 to learn more about how this annual conference can be an investment in both your professional career and personal life. Register, book your room, and become a sponsor of the 2016 ASSE International Annual Meeting today.

#

ASSE International is an ANSI-accredited standards developer and product certification body comprised of members representing all disciplines of the plumbing and mechanical industries.

ASSE's product performance standards, professional qualifications standards, professional certification and product listing programs aim to improve the performance and safety of plumbing and mechanical systems. Learn more about ASSE International at <http://www.asse-plumbing.org>.
