**Donna Estrada Promoted to Senior Vice President
of IAPMO R&T Lab Services and Administration**

Ontario, Calif. (March 6, 2017) – The International Association of Plumbing and Mechanical Officials (IAPMO®), in recognition of her integral role in expanding IAPMO’s global prominence, has promoted Donna Estrada to Senior Vice President of IAPMO R&T Lab Services and Administration, IAPMO CEO GP Russ Chaney announced.

“It is always a great pleasure to work collaboratively with Donna, as she has had rapid professional growth and her loyalty to the mission of The IAPMO Group is unsurpassed,” Chaney said. “Donna has exceeded my expectations since joining The IAPMO Group and she continues to excel in her efforts to promote IAPMO’s laboratory programs throughout the world. I certainly look forward to working with Donna for years to come. She is a true and dedicated professional.”

“I am very grateful for the promotion and the acknowledgement,” Estrada said. “The IAPMO Group has provided me with such an amazing and unique opportunity to grow and sharpen my business and management skills. I am looking forward to working with the IAPMO team for years to come.”

Since coming to IAPMO R&T Lab, Estrada has expanded the scope of service the business unit offers to include water filtration, swimming pools and solar thermal segments. Before that she was a vice president for another laboratory.
