EXAMINATION SITE INFORMATION PERMITTED REFERENCES

You should bring your **2009 Uniform Mechanical Code** with you to successfully pass this examination. In addition to the 2009 UMC, exam candidates may bring one (1) other Uniform Mechanical Code book of any previous year/edition, to include Code years 2006, 2003, 2000, 1997, and 1994. Only Code books published by the International Association of Plumbing and Mechanical Officials will be permitted. The correct answers to the exam questions can be found in the official reference listed. Previous editions of a reference may be brought into the examination room with the candidate's understanding that editions other than the recommended one will not be totally useful. You may also bring your SMACNA-HVAC Duct Construction Standards Metal and Flexible, 2005, Third Edition.

It is suggested that you bring a hand held pencil sharpener, eraser, and a silent, battery-operated, non-printing, non-programmable calculator. (A non-programmable calculator that does NOT have a full alphabetical keyboard). All other electronic devices are prohibited. (Examples: cell phones & palm pilots)

Note: Materials will not be available at the testing site. No handbooks, computers, notebooks, audio/visual devices, recorders, illustrated books, notes, drawings or papers of any kind will be allowed in the testing facility.
