EXAMINATION SITE INFORMATION PERMITTED REFERENCES

You should bring your **2009 Uniform Plumbing Code** with you to successfully pass this examination. In addition to the 2009 UPC, exam candidates may bring one (1) other Uniform Plumbing Code book of any previous year/edition, to include Code years 2006, 2003, 2000, 1997, and 1994. Only Code books published by the International Association of Plumbing and Mechanical Officials will be permitted. The correct answers to the exam questions can be found in the official reference listed. Previous editions of a reference may be brought into the examination room with the candidate's understanding that editions other than the recommended one will not be totally useful.

It is suggested that you bring a hand held pencil sharpener, eraser, and a silent, battery-operated, non-printing, non-programmable calculator. (A non-programmable calculator that
