IAPMO eBook codes are Web-enabled and annotatable within such programs as Adobe Acrobat, giving users the ability to flag relevant code sections and make notes within their stored digital documents.

“The convenience of providing access to an instantly downloadable document is obvious, but beyond that IAPMO continues to stay out in front of an industry that is increasingly utilizing modern technology to serve the public with greater urgency and efficiency,” said GP Russ Chaney, IAPMO CEO. “The eBook format adds an interactive element as well as the portability of carrying the full line of *Uniform Codes* in your pocket.”
