

**Summary of Substantive Changes  
between the 2002 and 2011 editions of  
ASME B16.23, "Cast Copper Alloy Solder Joint Drainage Fittings: DWV"**

**Presented to the IAPMO Standards Review Committee on June 11, 2012**

**General:** Changes to this standard are editorial and should not affect currently listed products. The editorial changes to the standard are:

**Contents:** In the main text, the "General" section was moved to Section 2 (previously it was Section 1.1), and the subsequent paragraphs were renumbered accordingly.

**Mandatory Appendix II References:** Updated referenced standards to current editions and included references to correct those that are referenced in the body of this standard;
