

**Summary of Substantive Changes  
between the updates dated November 29, 2011 and January 31, 2013 of  
UL 1081, "Swimming Pool Pumps, Filters, and Chlorinators"  
(6<sup>th</sup> edition, dated January 29, 2008)**

**Presented to the IAPMO Standards Review Committee on March 11, 2013**

**General:** There are no electric pool cleaners currently listed; therefore, our current listees will not be affected by the changes to this standard. The major changes are:

- Expanded the scope of the standard to cover electric pool cleaners (see Section 1.1.1)
- Added requirements for electric swimming pool cleaners (see Part 2)

Section 1, Scope: Expanded the scope of the standard to cover electric pool cleaners

[1.1.1 These requirements also cover electric pool cleaners for use in swimming pools.](#)

Part 2 – Electric Swimming Pool Cleaners: Added new sections 53 through 72 to supplement, and in some cases, modify the applicable requirements in Part I of this standard as they relate to electric swimming pool cleaners.
