PRESIDENT'S LETTER

Happy October,

It is time again for one of our biggest events - The ASSE Illinois Chapter Product Show! Our product show is for everyone to see what different vendors have to offer. The product show is a great place for to learn about new products directly from manufacture representatives or get help on proper usage and installation of a wide variety of products. Please invite a coworkers, friends, or anyone that would enjoy this event – All are invited! The product show is November 12, 2019 3:00 pm to 5:30 pm at the Plumbers local 130 training center, there is a $5.00-dollar entrance fee to help offset a very small part of the cost to our ASSE Illinois Chapter.

Plumbers Local 130 UA will have Flu Shots are available at the training center on 11/12/19 at 2:00 pm to 6:00 pm

Congratulations to our ASSE International Members that have reached a new milestone this year - the Quarter Century Club.

25 Year Member:
Andrew Kireta, Jr. - 25 YEARS (Quarter Century Club)
Patrick Flader – 25 YEARS (Quarter Century Club)

35 Year Member
David Ingram - 35 YEARS (Quarter Century Club)

On behalf of the Illinois Chapter we would like to thank you for time and dedication to the ASSE International and the Illinois chapter.

First Posting of three for the officer's election of the Illinois Chapter.

Nominations on 10/28/19 are:

- President - Gary Howard
- First vice president - Ciro Gaimari
- Second vice President - Joseph Sowa
- Treasure - Michael Scherer
- Secretary - Cristina Barillas
- Sergeant of Arms - Randy Olson

Look for our general membership meetings in the new year.

Fraternally yours

Denis Riordan

ASSE International

Membership Application

50% off new Active member dues!

As a member of ASSE International, you will belong to an organization represented by all disciplines of the plumbing and mechanical industries, forming a platform to receive, understand and solve industry problems relating to standards, codes, contracting, engineering and business. We encourage you to attend local chapter meetings, as well as our national Annual Meetings, get involved in chapter activities and apply for national committee work.

Whether it's through planning or participating in local chapter activities and meetings, submitting articles to our publications, or volunteering on a committee, your involvement is essential to ASSE International's success. Now is the time to immerse yourself in your organization.

A few privileges you will enjoy as an ASSE International member:

- Networking and educational opportunities within our industry
- Free subscription to ASSE International publications
  - *Working Pressure magazine and ASSE International eNewsletter*
- Discounts on publications published by ASSE International (25% off) and select discounts from other reciprocating organizations
- Voting rights at Annual Meetings
- Participation on national committees
- Eligibility for ASSE International Awards
- Eligibility for family member scholarships through the ASSE Scholarship Fund, an Ohio Nonprofit Corporation.

Please read carefully, fill in all applicable sections and indicate the membership classification for which you are applying. Government applicants must provide proof of employment to be eligible. Please see reverse side for membership classification descriptions, chapters and dues rates. **You may also join online at www.assewebstore.com/membership.**

CLASSIFICATION: ☐ ACTIVE ☐ STUDENT ☐ GOVERNMENT ☐ SUSTAINING

MEMBERSHIP CLASSIFICATION DESCRIPTIONS

Active:
Individuals who are active in a plumbing, mechanical or engineering related field.

* Half price new membership only applies to those who are not current or past members of ASSE International. *

Student:
- Registered apprentices in an apprenticeship program duly recognized by state, federal or local laws governing apprenticeship.
- Full time students enrolled in a school, university or college course in either plumbing, plumbing design or engineering.

There is a maximum time limit of five years for membership as a student.

Government:
Individuals employed by local, county, state or federal agencies involved in regulating the plumbing and mechanical field. Government employees may join ASSE International with the same privileges of an Active member. To qualify, members may be required to submit written documentation confirming that they are actively employed by a government entity (i.e.: letter from government entity on letterhead, copy of government identification/license, etc.)

Sustaining
Manufacturers of plumbing products and appliances, or others who are affiliated with the plumbing and mechanical field and desire to support the work of the organization. One member or representative of such membership will have privileges of an Active member.

Viega system solutions
Multiple materials, many solutions
One provider

Meeting and exceeding industry standards with every installation
With three choices in sealing elements, Viega systems can be used in gas, compressed air, potable water, flammable fluids or hydronic applications. Viega's press technology is available in multiple materials, and connections can be made in less than seven seconds, saving up to 60% on installation. Find peace of mind on the job with Viega products that include the Smart Connect® feature, allowing installers to easily identify unpressed connections during pressure testing.
