IAPMO World Headquarters, 4755 E. Philadelphia Street, Ontario, CA 91761

2019 CA Mechanical Code Changes | Jan. 30, 2020 @ 8AM | Ontario, CA
IAPMO World Headquarters, 4755 E. Philadelphia Street, Ontario, CA 91761

Keep up-to-date on the California Plumbing Code and California Mechanical Code by learning about the changes from the 2016 to the 2019 editions. The notable changes to the codes will be discussed in-depth and in a way that makes the discussion meaningful to attendees. Each notable change will be shown so attendees can see exactly how the codes changed. Further discussed will be why the codes changed and what impact it will have on the code enforcement and installer communities.

Upon completion of these courses, attendees will be better able to:

- Locate provisions that are new in the current edition of the codes.
- Discuss the impact of new provisions as they are applied in the field.
- Explain why the codes changed.
- Discuss the differences between the current codes and the previous versions.
